

# Every Day at Brewster's

## Beachside Lobster Bakes - PUPS (Pick up a Party)

We crack 'em, stack 'em and pack 'em in our shellfish "Hot" boxes which keep the lobsters hot up to 3 hours. Complete with steamers, shrimp, littlenecks, mussels, baked potato, and corn. From 1 - 200, you can pick up, or we can deliver right to your location.

These PUPS are great for fundraisers, beach parties, golf outings, house parties, office parties, backyard parties, or just for dinner.

## Catering by Russ Moran Catering

Brewster's owner, Russ Moran has over 20 years of off-premise catering experience.

Call Russ directly or visit our website to find out more about having us cater your wedding, clambake, barbeque, or house party. 631-680-5551 or visit [www.russmoran.com](http://www.russmoran.com)

## Smoked Fish

Brewster's Seafood Market is one of only a handful of licensed smoking facilities on Long Island. On a daily basis, you can purchase smoked salmon, swordfish, scallops, tuna, eel, cod, and catfish. Our unique cold smoking process delivers a one of a kind mouthwatering flavor which keeps Brewster's smoked fish fanatics coming back for more.

# Experience Brewster's

Every day our market is filled with locally caught fresh fish and shellfish. Whether you eat-in or take-out, cook it in your home or have us cater an affair for you, Brewster's Seafood Market offers the Premier Long Island Seafood Experience.

## Brewster's Top 10

1. All of our shellfish is de-sanded in state-of-the-art saltwater purging tanks.
2. We smoke fish on-premise daily. Brewster's is one of only a handful of licensed seafood market smoking facilities in New York State.
3. Our fish, shellfish, produce, and most of our retail food products are caught, grown, or produced locally.
4. Best Lobster Bakes - Our PUPS (Pick up a Party) are picked fresh from live storage tanks, steamed - Then delivered to you in heat sealed containers which remain hot for 2 - 3 hours.
5. Knowledgeable staff - We guarantee that all staff members can answer any questions about our fresh seafood and shellfish.
6. Our seafood market is supported by a state-of-the-art fish production facility.
7. Our culinary staff is professionally trained in seafood handling, preparation, and cooking.
8. Live local sea-life observation tank - For education of children and adults filled with local fish, shellfish, crustaceans, starfish, and more.
9. Lobster storage - Our lobsters are stored in chilled fresh saltwater tanks.
10. Our saltwater tanks are pumped with fresh saltwater directly from the pristine waters of Shinnecock Bay.
